

PUBLIC NOTICE

LEXINGTON COUNTY EDMUND MUNICIPAL SOLID WASTE CLASS 3 TRANSFER STATION EXPANSION LEXINGTON, SOUTH CAROLINA

The South Carolina Department of Health and Environmental Control (DHEC) has received a permit application from Lexington County Solid Waste Management Division for the expansion and operation of a Class 3 solid waste transfer station at its existing Class 2 Landfill.

At this time, the Solid Waste Permitting & Monitoring Section has completed its review of the permit application and found that the application meets all technical requirements. Solid Waste Permitting & Monitoring has completed a draft permit and hereby give notice to the public. During the public comment period the Department will be taking comments concerning the draft permit and/or the permit application. The comment period will remain open until July 30, 2018.

The regulations and other information on solid waste transfer station requirements can be viewed on DHEC's Website at:

http://www.scdhec.gov/Agency/docs/lwm-regs/61-107_7.pdf

A copy of the application may be viewed on DHEC's Website at:

<http://www.scdhec.gov/PublicNotices/>

Please bring this notice to the attention of persons you know who may be interested in this matter. Where there is significant public interest, DHEC may hold a public meeting or hearing to explain the permitting process and receive additional comments. Written comments or requests for a public hearing may be submitted through Monday **July 30, 2018**, to the DHEC contact listed below. All comments received will be considered before a final permit is issued.
